

Waste Management History of Inactive Hazardous Waste Sites Expansion

NOTE: The Division has had reductions each year for the past three years, but has not reduced staff in the Inactive Hazardous Sites Program.

| Description of Request | | Division Request | | DENR Submittal | | Gov. Budget Recommendation | | General Assembly Adopted | |
|-------------------------------------|--|------------------|-----|----------------|-----|----------------------------|-----|--------------------------|-----|
| | | Amount | FTE | Amount | FTE | Amount | FTE | Amount | FTE |
| Long Session: FY 2005 - 2007 | | | | | | | | | |
| | Funds for the Inactive Hazardous Sites Cleanup Fund to address priority orphan contaminated sites. | 500,000 | | 500,000 | | | | | |
| | Funds to meet the 10% state match required for federal cleanup of National Priority List sites. | 1,000,000 | | 1,000,000 | | 1,000,000 | | 1,000,000 | |
| Short Session: FY 2006-2007 | | | | | | | | | |
| | Funds for the Inactive Hazardous Sites Cleanup Fund to address priority orphan contaminated sites. | 500,000 | | 500,000 | | 500,000 | | | |
| Long Session: FY 2007-2009 | | | | | | | | | |
| | Proposed a state-wide tax on disposal of municipal solid waste of \$2.00/ton to address inactive hazardous sites, old landfills, and National Priority List cost share. DENR requested 12 positions from the waste disposal receipts. SB1492 passed in 2007 provided only \$1.00/ton of the \$2.00/ton tax on waste disposed for use on old landfill sites only, allowing up to 7% of the tax for program administration. No funds were provided for other inactive hazardous sites. The 6 position can only be used for cleanup of old landfills ¹ . | | 12 | | 12 | | 12 | | 6 |
| | Funds for positions to address hazardous substance releases and non-UST petroleum releases. | 2,118,357 | 25 | 852,812 | 10 | 432,182 | 5 | 172,307 | 2 |
| Short Session: FY 2008-2009 | | | | | | | | | |
| | Funds for the Inactive Hazardous Sites Cleanup Fund to address priority orphan contaminated sites. HB2436 allowed \$400,000 in receipts to be transferred from the Dry Cleaning Solvent Cleanup Fund. | 1,000,000 | | 700,000 | | 400,000 | | 400,000 | |
| | Funds for positions to address hazardous substance releases and non-UST petroleum releases. | 1,820,954 | 20 | 885,000 | 10 | | | | |
| Long Session: 2009-2011 | | | | | | | | | |
| | Funds for positions to address hazardous substance releases and non-UST petroleum releases. | 1,770,000 | 20 | 1,694,342 | 10 | | | | |

¹NOTE: A recent law change increased the administration percent to 13%. The additional 6% was used to fund shift existing position from appropriation support to receipt support.
